

Dear sport friends,

Teva Benelux

Teva Benelux is main sponsor of the Pre Worlds 2009.

Founded in 1984, Teva® began with an unassuming Grand Canyon River Guide and an idea that would become the world's very first sports sandal. Moving into the next 25 years, Teva® remains committed to both the innovation in footwear suited for the outdoor lifestyle and the protection of the earth's waterways.

Wintertime!

It is autumn in The Netherlands, this mean beautiful shots of nature but also wind, rain and temperatures that drop! Count on temperatures between 4 and 15 degrees, so make sure you bring warm clothing!

Autumn also means that we switch from summer to winter time! At Sunday October 25th winter time starts, meaning that on 03:00 the clock will be set backwards to 02:00. One hour extra to sleep... or one hour extra to spent on the FlowRider Party!

We look foreword to welcome you at Dutch Water Dreams and the Pre Worlds competition. For the full event schedule check our website www.wrc2010.nl.

See you at Dutch Water Dreams!

Kind regards,

Ella Oesterholt
